Southern Essex Register of Deeds John O'Brien is warning people to be wary of an Illinois outfit called National Record Services Inc. that has been offering to sell people a copy of the deed to their home for \$69.50.

According to O'Brien, any North Shore resident who purchased their home after 1983 can find a copy of their deed on the Registry web site ([www.salemdeeds.com](http://www.salemdeeds.com)) and print it out for free. Those whose property was purchased before that, he adds, can contact the Registry "and we will be happy to provide you with one."
